The Gaylord Texan is situated on 125 acres at the southern tip of Lake Grapevine, just six minutes from DFW International Airport. As a resort hotel and convention center, it can accommodate all aspects of our conference and expo, from meeting rooms to guest rooms to exhibit space. World Workplace will be self-contained in one facility, with no overlap from other conferences.

As a Marriott International property, the Gaylord Texan has 200+ cleaning protocols throughout every physical space in the hotel as part of Marriott’s Commitment to Clean. To ensure the safety of our attendees and sta, IFMA will also enforce a list of health and safety protocols on site, including:

- **Mandatory temperature scans**
- **Mandatory Masks**
  Disposable masks will be provided
- **Physical distancing**
- **Available On-site Medical Assistance**
- **Modified food and beverage functions**
  No buffets
  Individually packaged meals

### Health & Safety Precautions

#### Modified Registration Process

- **Attendees requested to register online**
- **Registration will be spread out over a much larger footprint**
- **Stations will be cleaned hourly**
- **Sanitation wipes will be available for self-use**
- **Hand sanitizing stations will be available**
- **Shield guards will be at every point of sale area**
- **Touchless scanning for event tickets will be utilized**

**IFMA's Health and Safety Protocol Task Force has been working to ensure that World Workplace is a model of excellence in providing a safe environment for all attendees.**

By implementing the latest, most highly recommended safety measures, IFMA will lead the way in demonstrating what re-opening a facility for group gatherings looks like.
